## **Job Posting** *Vice President of Operations*

This is an opportunity for a dynamic leader to join the Executive team of an American Icon.

When posting a job listing, it's easy to rattle of a list of necessary capabilities and experiences. Just like everybody else. But we are not everybody else. We're Airstream and our customers expect more.

- You need to love working in a classic American Factory.
- You need to value dedicated associates and the tradition of craftsmanship they bring.
- You need to thrive in a fast-paced, cross-functional, problem solving environment, working closely with a small, close-knit team of colleagues.
- You need to enjoy leading teams of professionals to success in all aspects of operations – there is no status quo and you need to be willing to be a change agent when needed.
- You need to have a passion for product quality and lean manufacturing.
- You need to develop a love for the Mission of Airstream and continually finding new ways to deliver upon it.

This position will have responsibility for all aspects of daily operations of the plants, all located here in Jackson Center, OH. These include manufacturing, purchasing, QC, Manufacturing engineering, and maintenance. The successful candidate will have demonstrated operational leadership in a world class organization, and at least two years of experience at the Executive Leadership level.

A passion for the Airstream Lifestyle is a plus, and be self-directed and results-oriented. A desire for innovations that can improve productivity, quality, and safety is a must. Extensive experience in lean and previous experience in the RV industry is a plus.
