DECALS

For reference only

There are **no** decals on the exterior of the 2000 Land Yacht XL 390 Diesel. Many places, especially the logos, will appear to be decals but are actually painted.

Each vehicle has been provided with a sheet listing the color codes on that particular motorhome. A back-up color chart for each motorhome is kept in Airstream's files. If calling Airstream for this information ask for "Sales" and have the serial number available for them.

Each motorhome is shipped with touch-up paint for each color.
