

**AIRSTREAM
TRAVEL TRAILER**

24 FT. TRADEWIND

SUPREMACY

*Airstream's pre-eminence
in travel trailers is
unsurpassed by any product
in any industry. When
you own an Airstream,
you know . . . and the world
knows . . . you own the finest
travel trailer built.*

*the standard of excellence
in lightweight travel trailers*

A new thrill awaits you when you take to the open road in this superb example of Airstream's advanced engineering. The 24 ft. Trade Wind is the answer for those who want the spaciousness of a larger trailer with the mobility of a smaller unit. Featured are the popular side-by-side twin beds that heretofore have only been available in longer models. With the installation of bunks it can comfortably sleep six. In no other trailer will you find all the features which contribute so much to the feeling of luxury and security that is yours in an Airstream and of course the famous Wally Byam developed off the road optional equipment is available to make your Trade Wind completely independent . . . As nimble as a mountain goat on any highway anywhere in the world your Trade Wind is more than merely functional, it will be the center of attraction wherever you park, at home or abroad. Tow it with the knowledge that you have the newest, finest trailer in a line that has set industry standards since 1932.

ALWAYS THESE FAMOUS AIRSTREAM FEATURES...

- all steel undercarriage
- structural alloy aluminum shell frame
- hand riveted double shell structural alloy aluminum body
- all-over 2 in. aircraft type fiberglass insulation
- vibration-proof fastenings
- see-thru safe rear vision
- 6 in. airfoam mattresses on all beds
