

With Airstream's sixty years of experience building vehicles that have become American institutions, you can feel confident your Airstream Land

Yacht is designed for truly outstanding liveability. Land Yacht floorplans represent the ultimate in space planning for comfort and convenience, with

truly impressive storage capacity and many standard features that are expensive options on other motorhomes. A twin bed option is available in all three models.

As a part of Thor Industries, Inc., one of North America's leading manufacturers of recreational vehicles, we have even greater resources to maintain the standards of engineering and

manufacturing excellence that Airstream has set over the years. The result is your assurance of solid value when you invest in a Land Yacht motorhome. Ask about our VHS videocassette

which exactly explains why Land Yacht is such a good investment - it's the inside story. Then see your dealer to see for yourself why you should own a Land Yacht.
