

Celebrating a storied Airstream nameplate, the Land Yacht's contemporary design language incorporates best practice from the world's finest ocean-going craft.

The Land Yacht is the product of an international collaboration between Airstream, Tecnoform S.p.A., maker of fine cabinetry and the design studio of Officina Italiana Design. The resulting interior is truly yacht-like and incorporates elements from the world's finest luxury watercraft.

The 28' Airstream Land Yacht travel trailer is crafted with quality materials and equipment throughout, including boat-deck flooring, LED panel lighting elements, and Corian® solid surfaces.

The Land Yacht's unique floor plan has a number of carefully placed design elements that create a sleek and sophisticated look in the cabin. The rear social space includes a galley that can be hidden when not in use.

LAND YACHT SPECIFICATIONS

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.

Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

Dry Weights – based on standard features; optional equipment not included. Net Carrying Capacity (NCC) is determined by subtracting Unit Base Weight (UBW) from the Gross Vehicle Weight Rating (GVWR), and is the capacity available for water, options and cargo. Liquid capacities and weights are approximations only.

Warning – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.
