### Tank Levels

Sleep better at night knowing you can monitor your fresh water and holding tank levels.

### AC & Heat Pump

Set the perfect temperature so family, friends and pets are comfortable before and after your adventures.

### Vent Fans

Make sure your RV's interior is pleasant and comfortable in every environment.

### Tire Pressure Monitor System

Real time monitoring of tire pressure on all five tires without vehicle movement required.

### Awning

If the wind picks up and you're away, confidently close the awning to protect your property.

### Lights

After a long day of hiking, turn on your interior and exterior lights from anywhere for a safe and reassuring return.

### Wi-Fi Boost & 4G LTE

Stay connected to the amenities you demand with boosted Wi-Fi signal or dedicated 4G data when you're far from home.

### Propane

Monitor your propane level so dinner time is always on time for your hungry family.

### Battery Voltage

Make sure your batteries are charged to keep the good times moving forward.

### RV Locator

Wherever you may roam, use the GPS locator to navigate back to your RV and even keep tabs on it when it's not in use.
