

# TRAVEL TRAILER

*Shopping Guide*

# THERE'S A TRAILER

*with your name on it*

After nearly 100 years of creating iconic travel trailers, we've put together a family of options that's vast enough to have something for everyone. And we're here to help you find the one that's perfect for you and everything you've dreamed of doing with it. Take a look at the 3 ways each travel trailer stands out, plus 3 features you should definitely check out in person. Use this guide as a quick prep for a conversation with your dealer, and an easy way to refer back to what you're looking for.

# *the* **CLASSIC**

## In one word: Home

It feels like home. That's what people say when they step into the Classic, one of our most historic nameplates. It's the best of both worlds: You can have everything and go anywhere.

### 3 ways it stands out:

- Perfect for long-term adventures or full-time living
- Smart Control Technology, giving you the ability to track and monitor the trailer from anywhere
- Radiant hydronic heating and continuous hot water flow

### 3 features to see in person:

- The 60" powered Smart HD projection TV with Bose Sound Bar (33FB floor plan)
- The heated towel bar and shower floor
- The powered beds that offer a high level of support and are designed for comfort

# POTTERY BARN

In one word: Comfortable

Stunning, connected, and capable of letting you travel anywhere while feeling like you're "always home," the Pottery Barn Special Edition has all the furnishings and cozy details you'd expect from Pottery Barn.

### 3 ways it stands out:

- The Pottery Barn custom furniture and a timeless design aesthetic
- Airstream Smart Control to operate the awning, lights, and even the thermostat – all from your smartphone
- Premium materials like an heirloom-quality dining table

### 3 features to see in person:

- The custom-made sofa that includes an airline-style flip-out table
- A large stainless steel flat apron sink, versatile cutting board, and black cabinet pulls
- The Pottery Barn Accessory Kit with a folding table, dinnerware set, storage bins, and much more

# *the* **GLOBETROTTER**

## In one word: Modern

The Globetrotter's built in Airstream quality is elevated with modern, sophisticated design. Bold choices in fixtures and finishes accent the seamless, minimalist style throughout.

### 3 ways it stands out:

- The unique 30RB floor plan with a spacious front lounge and a total of 22 windows throughout
- The European-design elements and ultra-modern fixtures
- Award-winning finely woven HITCH fabric that is distinctive, durable, and resistant to stains

### 3 features to see in person:

- The fingerprint-resistant overhead cabinets that are illuminated when open and softly close when pulled shut
- A modern kitchen that features a deep sink, European faucet, Corian countertops, and premium appliances
- Ultra-flexible U-Section modular dinette in the 25FB and 27FB floor plans that adds seating and storage options

# *the* **INTERNATIONAL**

## In one word: Sophisticated

We like to call the International our boutique hotel on wheels. Its upscale design has universal appeal to anyone who loves good design and top-of-the-line features.

### 3 ways it stands out:

- Coastal-inspired light colors and distraction-free minimalist design
- Interchangeable Ultraleather options that provide a pop of color to the galley
- Spacious and backlit overhead storage with a cool tone reflective surface and frosted sliding doors

### 3 features to see in person:

- The seaside accents on the kitchen wall and dinette tabletop
- The chevron floor pattern that brings an added touch of luxury to the interior
- The special pop of color the striped awning adds to your campsite

# *the* **FLYING CLOUD**

In one word: Friendly

Family friendly. Adventure friendly. Relaxation friendly. The Flying Cloud is a light-hearted design with enough options to keep everyone happy and comfortable.

### 3 ways it stands out:

- Light, airy, and open designs
- The most floor plans of any Airstream travel trailer
- Flat, matte white overhead storage with soft-close hinges

### 3 features to see in person:

- Optional features like the front bunk, powered desk, rear hatch, and more
- The beautifully balanced countertop and dinette design pattern
- Smart use of storage space throughout the whole cabin

# the CARAVEL

## In one word: Clean

The revival of our historic Caravel model line is all about clean lines and premium features that offer an upgraded travel experience.

## 3 ways it stands out:

- Upscale design with dark neutrals and warm woods
- Upgraded features that come standard
- Sophisticated residential fixtures

## 3 features to see in person:

- Stainless steel gas cooktop with raised cast-iron grates
- The design-forward pinstripe awning and optional matching window awnings
- QuietStream™ featured in a single axle travel trailer

# *the* **BAMBI**

## In one word: Efficient

The Bambi is nimble enough to help you get out there without having to rough it. We've planned every inch to work hard and keep you comfortable and happy on any adventure.

### 3 ways it stands out:

- Easy to pack, tow, and park
- The most affordable of our traditional travel trailers, without compromising sophistication
- Entertainment and comfort features with a touch of elegance

### 3 features to see in person:

- The onboard bathroom: a shower, toilet, and sink
- The high-quality kitchen appliances and smart use of space
- Convertible eating, sleeping, and living spaces

# REI

*The REI Co-op Special Edition*

## In one word: Sustainable

Adventure-ready, inside and out. Equipped with rugged components, exclusive upgrades, and a vast collection of REI Co-op kit items, this Basecamp provides all of the functional and beautiful design details that empower adventures to get out and roam.

### 3 ways it stands out:

- Special REI décor and REI-branded pack-away cubes
- Fabrics and laminates made from post-consumer recycled materials
- Water conservation features such as a recirculating water heater and optional composting toilet\*

### 3 features to see in person:

- An advanced UV-LED and pre-filter water purification system for fresh drinking water
- Loads of smart storage solutions for gear and other outdoor equipment
- The REI Co-op kit that includes chairs, a roll-top table, tablecloths, towels, mugs, cooking utensils, and much more

# the BASECAMP

## In one word: Adventurous

It's our most ready-for-anything travel trailer ever. The Basecamp is the ultimate adventure vehicle, made for those who crave a day full of excitement and a comfortable place to crash at night.

### 3 ways it stands out:

- Completely unique interior and exterior designs
- Made to partner with your SUV or smaller truck
- Flexible living space with 7 bench configurations and open space

### 3 features to see in person:

- Large 26" x 46" rear hatch to load and unload large gear
- The Basecamp X-package that helps tackle even rougher roads
- Front U-shaped dinette (Basecamp 20)

## READY TO TAKE THE NEXT STEP?
