

AIRSTREAM®

Class B Comparison Guide

Consider the Best-in-Class in the Class B Landscape

Buying a new RV is no easy task, especially when there are so many options on the market. That's why we've collected the distinct features that make each Airstream touring coach above-and-beyond in quality. In this guide, you'll learn which Airstream Class B is the right fit for you today, and for years down the road.

Let the adventures begin.

Go Farther and Stay Longer

Airstream Touring Coaches Offer Powerful Electrical Packages That Give You the Freedom to Roam

Power means freedom on the road, and the 2026 Airstream lineup delivers with advanced electrical systems that keep you comfortable, connected, and independent. Atlas and Interstate feature the Advanced Power and Advanced Power Plus systems—the most capable available in any touring coach—while Rangeline offers proven lithium performance for confident, flexible travel. Discover how Airstream Touring Coaches set the standard for freedom, comfort, and style wherever the road leads.

Features	Advanced Power System	Advanced Power Plus	Rangeline Lithium Power
	Standard	Optional Upgrade	Standard
Models Available	Interstate and Atlas	Interstate and Atlas*	Rangeline
Single-Fuel Source System	Diesel and battery system for heat and hot water, with fully electric appliances.	Diesel and battery system for heat and hot water, with fully electric appliances	Gasoline and battery system for heat and hot water, with fully electric appliances
Onboard Generator	No	No	Yes
Lithium Battery Power	10.3 kWh	17.2 kWh	3.4kWh
Solar Power	250–400 Watts**	250–400 Watts**	200 Watts

Off-Grid Air Conditioning Runtime	8 to 10 Hours***	14 to 16 Hours***	2-3 Hours***
Boondocking	Quick Getaway	Ultimate Freedom	Day trip or Overnight
Shore Power Charging Time	5 Hours to Full Charge***	9 Hours to Full Charge***	2 Hours to Full Charge***

*Factory Upgrade on Atlas, Interstate 24GL & 24GT; Dealer Install on Interstate 19GT & 19X

**Solar wattage varies by model. Interstate 19GT and 19X models are equipped with 250 Watts of standard rooftop solar; Interstate 24GL, 24GT, and Atlas models boast 400 Watts of rooftop solar.

***Actual time varies depending on multiple factors such as outside temperature, humidity, additional onboard power consumption, and battery level.

Interstate® 19GT

The Interstate 19GT takes everything in the best-selling Class B diesel motorhome and wraps it neatly in a 19-foot package — about the size of a standard parking spot. Enjoy every luxurious amenity and every advanced safety feature. And most importantly, have the time of your life.

 19' length

 Sleeps up to 2

 Seats up to 4

 5,000 lbs Towing Capacity

INTERSTATE® 19GT

Industry Comparison

Though there are multiple 19-foot Class B RVs, you'll discover that others on the market have fewer standard options when compared to the Airstream Interstate 19GT. Additionally, it's common to find manual equivalents to our automated multiplex controls for blinds, lighting, and more. What others believe to be cost-saving decisions, we consider as compromises to the ultimate user experience. In an Airstream, best-in-class comes standard.

Features	Interstate 19GT	Industry Standard

Interstate® 19X

Designed to get you closer to the action with the gear you need, this fully loaded adventure van packs a lot into its 19-foot floor plan. Exuding Airstream quality, craftsmanship, and iconic design, Interstate 19X features an aggressive stance, extreme comfort, cutting-edge amenities, and best-in-class safety and performance. Load up and hit the road to bigger and better adventures.

 Seats up to 4

 5,000 lbs Towing Capacity

INTERSTATE® 19X

Industry Comparison

When you're looking for a 19-foot adventure vehicle, you'll find Class B coaches comparable to the Interstate 19X. What you won't find anywhere else is the flexible storage of the 19X, as well as the thoughtful design that maximizes comfort and convenience. Additionally, the Interstate 19X is equipped (inside and out) to keep up with rugged travel, including a durable body exterior to protect the quality and appearance of your coach.

INTERSTATE® 24GL

Industry Comparison

In the Class B market, the Interstate 24GL stands out with its fresh styling and attention to detail. Available as a 7-passenger AWD or 9-passenger RWD, it features automated multiplex controls, marine-grade flooring, solid surface countertops, and luxurious décor, all hand-crafted to the highest quality standard. With multiple interior décor options, Ultraleather® seating, two Smart LED HD TVs, an on-board bathroom, and more, there's no shortage of comfort inside the Interstate 24GL.

RANGELINE®

Industry Comparison

Like the Rangeline, you'll find other Touring Coaches with the RAM ProMaster® 3500 chassis, which sports 276 horsepower and 250 ft/lb of torque, and offers 3,500 lbs of towing capacity. What you won't find anywhere else on the market is a coach designed for every passenger — including your pets. The Rangeline features built-in integrated pet food and water bowl storage, as well as a clever exterior tether to keep your runners within range. Plus, the entire coach is inverter-equipped, allowing all outlets to operate on battery power for ultimate flexibility on the road. That kind of attention to detail you'll only find in an Airstream.
