

AIRSTREAM® STETSON ☀️ 6666

SPECIAL EDITION TRAVEL TRAILER

A Collaboration Rooted in American Heritage

Meet the Airstream Stetson + 6666 Special Edition Travel Trailer, a 27-foot towable Airstream that's unlike any other. Celebrating the freedom and independent spirit of the West, the Stetson + 6666 Special Edition represents a timeless collaboration between three iconic American brands: Airstream®, Stetson®, and the Four Sixes Ranch®. This Special Edition trailer comes standard with features inspired by wide open spaces, clean air, and adventure on the range, as well as the deep roots in hard work, tradition, and innovation shared by these three iconic brands.

From the Rear Hatch that blends interior and the outside world and the unique embroidered red awning, to the hat racks and genuine leather seating, the Stetson + 6666 Special Edition is crafted with the best of the West in mind. A farmhouse style hammered copper apron-front sink lets you bring your own watering hole along for the ride. Hang your favorite mugs – for mules, coffee, or another libation – on the hooks above the sinks. A black-stained oak dinette table, oil-rubbed bronze fixtures, and plush leather upholstery, put the finishing touches on an experience that will have you dreaming of wide open spaces and the freedom to choose your own route.

Meet the Airstream Stetson + 6666 Special Edition Travel Trailer – and start dreaming of your next Airstream adventure.

MEET THE **AIRSTREAM® | STETSON** ☀ **6666**

SPECIAL EDITION TRAVEL TRAILER

This three-brand collaboration represents a history of time-honed authenticity. There's no shortcut to high-quality. You can't fake generational knowledge and experience. Cowboys and cowgirls at the Four Sixes Ranch eat, sleep, and breathe the production of the finest American Quarter Horses and Angus cattle in the country. For 160 years and counting, Stetson has been outfitting both those who make a living on horseback, and those who are inspired by ranch life alike, with the kind of attention to detail that takes their products from great to invaluable.

Airstream, Stetson, and the Four Sixes are steeped in hard work, necessary innovation, and a curious spirit. The inspiration for this trailer came directly from the sense of pride that lives in tradition. If you've ever arrived at a place – the mountains, the desert, the wide-open plains – and felt immediately home, that's the feeling of these brands.

WESTERN INSPIRED INTERIOR

Genuine Leather Seating ✨ Copper Sink ✨ Hat Rack

The Airstream Stetson + 6666 Special Edition Travel Trailer showcases materials, flooring, and soft goods inspired by Stetson's storied hat-making heritage and the cowboy traditions of Four Sixes Ranch. Its dusty palette of rustic browns, warm clay, oxblood red, and charcoal gray echoes the Texas ranchlands where Four Sixes has raised legendary Quarter Horses and award-winning Angus cattle since 1870.

Inside, Western iconography anchors a space filled with premium finishes: a black-stained oak dinette table, oversized hammered copper apron-front sink, oil-rubbed bronze bathroom fixtures, and genuine semi-aniline leather upholstery. Heritage details like archival Stetson artwork, custom pillows, and embossed logos, infuse charm and authenticity. Thoughtful touches like an overstuffed leather couch, leather headboard, woven window coverings with tiebacks, and clever storage solutions, (including a removeable hat rack to store your Stetson), complete an immersive experience and celebrate all three iconic brands.

ICONIC EXTERIOR

No matter where you are in the world, the Stetson + 6666 Special Edition lets you travel in Western style and put incredible travel experiences at your doorstep. Just opening the door, you know you're in for a special experience. The handcrafted aluminum screen features a unique Stetson + 6666 design with logo branding and Stetson hat imagery. It sets the stage for any adventure, paying homage to the era of cowboys and pioneers.

A custom-designed red striped power awning embroidered with a classic Western-inspired pattern and embossed with the Stetson and 6666 logos provides shade. A red beltline accent adds a pop of color against Airstream's classic aluminum. The front solar guards are embossed with a cowboy artwork wrap, inviting travelers to embark on a journey back in time to the rugged landscapes and adventurous spirit of the Wild West.

INTERIOR FEATURES

The Stetson + 6666 Special Edition is infused with high-quality materials throughout. A black stained oak dinette table in the rear offers the ideal place to eat and relax. An oversized hammered copper apron-front kitchen sink enables food prep in the galley. Archival Stetson advertising imagery graces the galley wall laminate, sumptuous genuine semi-aniline leather upholstery, and embossed logos infuse the space with heritage and charm. Taken together, it's an immersive experience that celebrates the best of all three brands.

A man and a woman, both wearing cowboy hats, are seated inside an Airstream trailer. The woman, in the foreground, is wearing a denim jacket and holding a glass. The man, in the background, is wearing a plaid shirt and also holding a glass. They are both looking out the large window of the trailer, which has light-colored curtains. The interior of the trailer is visible, showing a wooden table and a glass of whiskey on the table.

ALL THE COMFORTS OF HOME

Airstream founder Wally Byam promised that your Airstream would be your home away from home. No matter where you're headed with this Special Edition Travel Trailer, you'll have everything you need to be comfortable, cook well, rest, and clean up. The 27-foot floor plan provides the option of a queen bed or two twin beds in the front bedroom, plus a convertible dinette for additional sleeping accommodations. It offers a Rear Hatch with a sliding screen for sweeping panoramic views of the outdoors. And if your adventures aim off-grid you'll be well equipped, with 300 W of rooftop solar panels equipped with 2.5 kWh of lithium batteries.

HOW IT'S MADE

Informed by more than 90 years of quality craftsmanship and expert design, Airstream travel trailers are hand-made in Jackson Center, Ohio. Only the best materials are used – from seamless, waterproof composite flooring, to the hardware and finishes we use to build our cabinetry, to the rivets and aluminum that form the shell. In building our world-famous travel trailers, we rarely do things the easy way. That’s why an Airstream travel trailer can last a lifetime – or more – and be passed down from generation to generation for years of enjoyment.
