

AIRSTREAM®

Atlas® Comparison Guide

25MS | 25RT

Atlas Touring Coach

Atlas is Airstream's premium touring coach, offering a luxurious motorized RV experience unlike any other. It features handcrafted construction, a spacious interior, and a sleek automotive look that sets it apart. The Atlas line is available in two distinct models: the Atlas 25MS with its Murphy Suite layout and the Atlas 25RT with its innovative Rear Twin configuration. Together, they provide travelers with thoughtfully designed options that elevate every journey.

 25' length

 Sleeps up to 2

 Seats up to 4

 5,000 lbs Towing Capacity

Exterior Styling

The Atlas line comes standard with classic Hightech Silver metallic paint. For a bolder exterior, both Atlas models offer optional Ultra Premium Paint finishes. These automotive-style colors add deeper tone and smooth gloss, enhancing the body and Atlas shape.

Advanced Paint Application
Each coach receives a multi-layer paint process that creates a smooth, seamless automotive finish.

Inspired by Airstream Heritage
The paint design subtly reflects the curves of Airstream travel trailers, connecting modern styling with iconic DNA.
