TRAILERS, INC.

Lifetime Warranty

THIS TRAILER IS GUARANTEED FOR THE LIFE OF THE PURCHASER UNDER THE AIRSTREAM TRAILERS, INC. WARRANTY

Airstream Trailers, Inc. warrant each new vehicle manufactured by it to be free from defects in material and workmanship under normal use and service; its obligation under this Warranty being limited to making good at any of its factories any part, or parts, thereof which shall be returned to it by the registered warranty holder with transportation charges prepaid, and which, in its examination, shall disclose to its satisfaction to have been defective; this Warranty being expressly in lieu of all other warranties expressed or implied and of all other obligations or liabilities on its part, and it neither assumes nor authorizes any person to assume for it any other liabilities in connection with the sale of its vehicle.

This Warranty shall be in full force and effect and valid in the hands of the registered holder during his life.

This Warranty shall cover and include all labor charges for replacement or repair of defective parts.

This Warranty does not apply to any vehicle which shall have been repaired or altered outside of its factories in any-way so as, in the judgment of the warrantor, to affect its stability; or which shall have been subject to misuse, negligence or accident; or which shall have been loaded beyond the factory rated load capacity.

It makes no warranty whatsoever in respect to tires, tubes, rims, signaling devices, axle and wheel assemblies, brake assemblies, refrigerator, heating stoves, ranges, electrical fixtures, water heaters, or other trade accessories, in as much as they are generally warranted separately by their respective manufacturers.
