

AIRSTREAM
TRAVEL TRAILER

28 FT. AMBASSADOR

S U P R E M A C Y

*airstream's pre-eminence
in travel trailers is
unsurpassed by any product
in any industry. When
you own an airstream,
you know . . . and the world
knows . . . you own the finest
travel trailer built.*

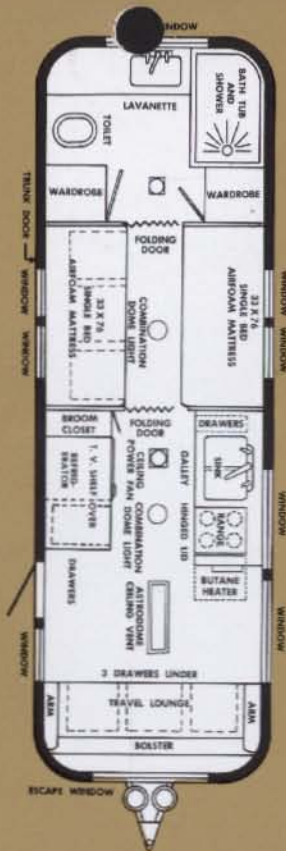

*the standard of excellence
in lightweight travel trailers*

"It has 'go-anywhere ability' . . .", that's the way one experienced Caravanner described the new 28' Ambassador, and you'll find this true of the feature-crammed topper in the Airstream line. Coupled to the longest American car currently in production, the Ambassador is within the highway limits of all the states and is strictly designed to be owner-towed . . . anywhere in the world. The Ambassador can be fitted with Airstream-pioneered self-containment extras, such as pressurized hot and cold water, toilet septic tank, battery operated lights, and gas refrigerator to provide complete travel independence. The Ambassador is the travel-trailerist's dream come true. New color-coordinated interiors (developed by a group of interior decorators working with Airstream engineers) increased storage and closet area and the spaciousness of a planned living area make the Ambassador as luxurious as it is efficient.

AIRSTREAM
TRAILERS, INC.

JACKSON CENTER - SHELBY COUNTY, OHIO

EXPERIENCE PROVEN LAYOUTS WITH CARAVAN TESTED EQUIPMENT

ALWAYS THESE FAMOUS AIRSTREAM FEATURES...

- all steel undercarriage
- structural alloy aluminum shell frame
- hand riveted double shell structural alloy aluminum body
- all-over 2 in. aircraft type fiberglas insulation
- vibration-proof fastenings
- see-thru safe rear vision
- 6 in. airfoam mattresses on all beds
- shock absorbers on all wheels

The ultra-sleek, streamlined appearance of Airstream travel trailers is due in part to the use of jet plane type "stretch-formed" front and rear panels (patent pending). This exclusive process distinguishes Airstream from any other trailer and guarantees the strongest possible lightweight construction and quality unmatched in the industry.
