**SENSATIONAL
NEW AIRSTREAM
TRAVEL TRAILER**

26 FT. OVERLANDER

SPECIALLY DESIGNED ROOMY SLEEP-TWO MODEL

Unusual "comfort and easy living" features have been added to the sensational Overlander to provide a special sleep-two model for those who want to accommodate just a fun-loving twosome. The interior has been designed to give you maximum living area and the luxurious feeling of home. Everything in the standard Overlander is here, but just more so, including the famous features that make Airstream the ultimate in travel trailers . . . a large living room area with deluxe lounge beds; a larger bathroom with tub, shower, wash basin and toilet; a uniquely arranged galley with extra large working and formica area; worlds of closet and storage space; spacious combination refrigerator; apartment size stove—and many other exciting features too. Everything you need for comfortable living and traveling is in this Airstream. So stop dreaming and start living—put yourself on the road to fun, excitement and adventure.

Airstream—since 1932 the world's finest lightweight travel trailers
